

JOHN 9:4-5

Church Planting  
Missionaries in  
Colombia

FEBRUARY 2019

Hello Pastor and Praying Family!

## CARLOS

I want to tell you a story about our great God. A few weeks ago, my wife and I were on our way home after English Class outreach. We were driving over the return bridge as we always do and as we took the bridge we saw what looked like a person with a white sweater on the other side of the railing. We backed up and we were astonished to see a person who was crying desperately, about to jump and take his own life. I quickly got out of the car and hurried over to this young 21 year old man and grabbed him by the arm telling him, "Please dont jump, God loves you and God has a plan for your life! He cares for you, no matter what the situation is that you are going through God can help you and He has a solution for your problem." It was only by God's grace that the young man finally listened to the words that God gave me to say and he grabbed my other arm and came back on this side of the railing. He was still sobbing when I gave him a hug then we took him home. On the way home he told me that I had gotten there just in time, that he was just waiting for a big truck to jump in front of. The bright light that you see on the photo, that was a big truck. Days later he came by the church and we studied the Bible and while studying the Bible I showed him that he needed to have a relationship with God in his life, that God could help him with all his problems and that the only way to have a relationship with God is by trusting in Jesus Christ alone. It was then that Carlos prayed to God, he repented of his sin and asked God to save him and to give him a new life. That day **Carlos trusted in Christ as his Lord and Savior.**

Please help us to pray for Carlos. He has just begun his new life in Christ. We are studying the Bible with him every week so that he learns and grows more. Help us by also praying for the people of Colombia. Days before we met Carlos on that bridge we had heard of a young woman that jumped off a bridge with her 5 year old son in her arms because she could not continue to live anymore with all of the problems that she had in her life. Help us to also pray for more laborers to come and help us reach this country of 50 million people that are in desperate need of the Gospel, that are in desperate need of a relationship with God, that are in desperate need of saving.
