MAN SAVED FROM WATCHING ONLINE SERVICES

We have a wonderful praise to share with you! A Colombian man received our Lord as his Savior this month. Amidst this difficult lockdown, there is nothing more encouraging and uplifting than to hear of lives being changed by the gospel! The man who placed his faith in Christ has been participating in our online service and daily devotionals. Although he is currently hospitalized, the Lord miraculously led him to Iglesia Bautista Vision's services. Through the preaching of the Bible and the gripping of the Holy Spirit, he was able to see the need he had for a Savior. Sitting hopelessly in a hospital, suffering from all the uncertainty around him, he became a new creature in Christ! We will never cease in praising God for his faithfulness. His Word is not in lockdown. It continues to transform lives! What a testimony to the power of the God that we serve.

GOD'S FAITHFULNESS AMIDST A FULL LOCKDOWN

August 31st is the new deadline to reopen our city. As the country hits new records, the laws become stricter. The country has reached over 334,000 cases and has lost more than 11,000 lives to this pandemic. Sadly, we understand that the probability of these lost lives having heard the true gospel was very slim. This is the very reason as to why we are here. The gospel can not be quenched; it can not be stopped. The name of Jesus continues to be proclaimed as we seek to minister to the families who have lost their loved ones to a hopeless death. In this overwhelmingly Catholic country, we see the desperate need for truth. As women light candles and recite prayers in the hopes that their children will be released from purgatory, we can clearly see the blinding religion that the devil has implanted in this nation. So many lost souls are desperately searching for answers and for hope. This is why we are here, because God sets the captive free. He set a suffering, lost man free this week! He is faithful to save. He hears our heart-wrenching prayers for this lost world. He opens doors that appear to be closed. He led this man to find a gospel preaching church online, all the way from his hospital bed. Please pray for the flourishing ministry that the Lord is using in Colombia.
