Church Planting  
Missionaries in  
Colombia

DECEMBER 2020

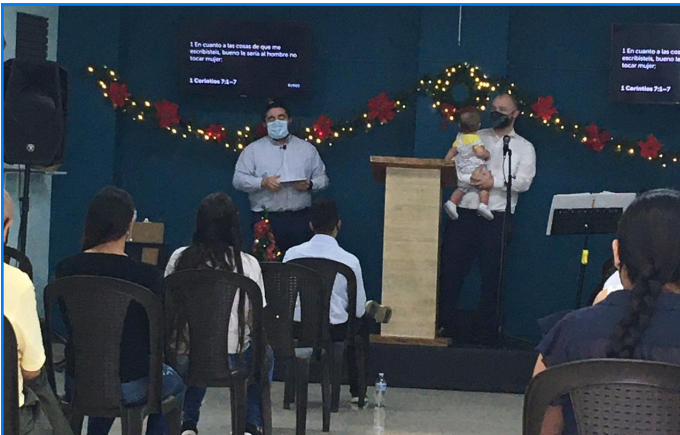

## THE YOUNG FAMILY ON SURVEY TRIP

This month our fellow laborers and friends, the Young family, visited us on their survey trip. Blake and Bridgette have been working consistently at deputation as they raise the funds needed to work in Colombia. Their visit has encouraged us tremendously! We look forward to having a team that is training men, reaching the lost, and discipling the Colombian people. So far, they have been blessed to raise 55% of their needed support. Willow, their daughter, will be raised speaking Spanish and watching missions unfold from the front lines. It excites us to think of all that God will one day do through her life! Once they arrive, they will begin language school. While learning Spanish they will attend Iglesia Bautista Vision where they will assist us and serve the congregation. What a blessing their family will be to the ministry here!

## CHURCH IS GROWING

This past Sunday we had thirty in attendance! As we've written in previous letters, the auditorium is growing quite small. With the extensive guidelines we must follow for this pandemic, the seating had been limited. Because of this, we may be splitting services and multiplying the opportunities to attend. Pray for us as we maneuver through this season.

## DUVAN TRAINING FOR MINISTRY

God is always at work and that continues to be true. Duvan, a young man who had been training for ministry, is still faithfully serving. This year and all of the crazy things that it has entailed have not derailed him from God's calling upon his life. Continue in prayer for him!
