Trip To The Amazon

This last month was full of exciting days planning what can be done to reach all of Colombia with the Gospel. February started with a trip to the Amazon rainforest. During this trip we got a lot accomplished. We handed more than 2000 tracts to the people in the city of Leticia and Tabatinga. We also did a lot of research to see what we could do in the near future to start a church there and eventually start a ministry to the indigenous villages located throughout the amazon river and its many branches. We need your prayers. We need to pray for more workers, laborers, more people that God calls to train so that they can go to that region of country and start this very significant work.

As we were going down the Amazon river visiting the different indigenous communities, I could picture in my head how God could use us to preach the Gospel in every community. I am looking forward to the day when we can

write to you a prayer letter saying that this ministry has started. We were also able to visit the wild while we were down there. We got to see several of God's beautiful creatures that clearly give evidence of an all-knowing Creator.

Bilingual Kids Event

A dear friend of ours, Chris Fies, came from the States and helped us with a Bilingual kids event that we hosted for a few hours on a Saturday. And it went great! Before the event started, rain came pouring down but praise be to God we had an attendance of more than 25 first time visitors! They all heard, several times, a clear presentation of the Gospel. Please be in prayer for all of these souls for whom Christ died.

Thank you very much for your prayers for the on-going work here in Colombia. We, too, are praying for you all and are very thankful to God for you and your heart for the Lord and His work.
