Church Planting  
Missionaries in  
Colombia

SEPTEMBER 2022

### CHURCH IN CALDAS: SOME LEAVE AND SOME COME

- At the beginning of last month, our friend and intern, Juan Garcia, finished his internship in Colombia and returned to the states.
- His plan is to start deputation soon. Please pray for him as he starts to raise support for the mission field.
- He was a great blessing to us here in Colombia, and I know that he will be a great blessing wherever he goes.
- Last month:
  - A couple of young men got saved.
  - Several new visitors came to church.
  - People that were coming before the pandemic are also coming back.
  - God has blessed our efforts of doing outreach even in the rain. August has been a rainy month.
- God continues to bless the church in Caldas. People are getting saved, discipled, and baptized.

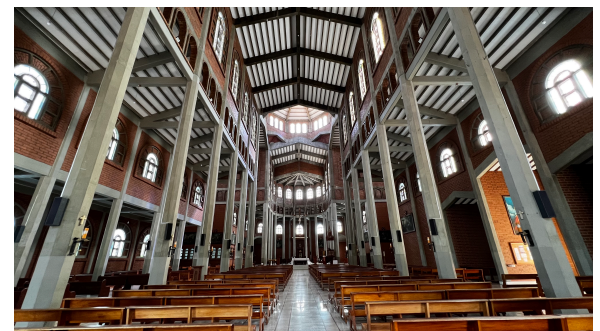

### CHURCH IN BELLO: THE ROOF IS FINISHED!

- Praise the Lord! The roof is now finished! (Shown in foto)
- Since it rains so much here, a proper roof is essential for us to be able to meet.
- We just have a few more things to get done, like painting the walls and leveling the ground.
- We are about to start, and we trust that God will bless the preaching of His Word here in Bello.
- Please help us pray for the people of Bello that they would listen with an open heart to the Word of God preached.

### PRAY FOR JERICÓ

- This week we were able to visit the small town of Jericó, which is located about two hours south of Medellin.
- It has a population of more than twelve thousand people.
- It is a very religious community.
- We found a large cathedral in this town. (Picture on right)
- Please pray for:
  - The salvation of the souls.
  - Laborers needed for the work in this town.
  - More missionaries for the country of Colombia.
