### **Iglesia Bautista Vision in Caldas: More Praying!**

- At the end of last year, we realized something very important: we need more prayer.
- There is so much work to do and so many to reach. The work here in Colombia is vast, and we need God to help us.
- And so a Tuesday night prayer service was started. We already have a Bible Study service each Thursday night, but we noticed that more prayer is needed as a church.
- Last Tuesday night, 14 people attended the prayer service.
- This church plant is in a very dark place. When we talk about the dark, we talk about a lot of witchcraft and religions that lead to perdition.
- We need much prayer. Could you please join Iglesia Bautista Vision in Caldas in prayer for the work here in this city and for more laborers?

### **Iglesia Bautista El Refugio in Bello: Yessica Led Yessica to the Lord!**

Yessica was the first convert since we arrived in Colombia in 2018.

- She came from Venezuela, fleeing the economic crisis and violence in that country.
- Over the years, God has allowed us the privilege to disciple her and see her grow and be molded more into the image of Christ.
- She has been and continues to be a huge help to the ministry in Colombia.
- Recently Yessica got married to our very good friend Chestley Howell, also a missionary to Colombia.
- Yessica has been helping at the church plant in Bello and recently was able to lead another woman named Yessica also, to the Lord!
- We can't wait to see how God continues to do great and mighty things in both Yessicas.
- Please help us pray for both.
- God has been so good to us all here in Colombia.
