OUTREACH ON THE MOUNTAINS IN CALDAS

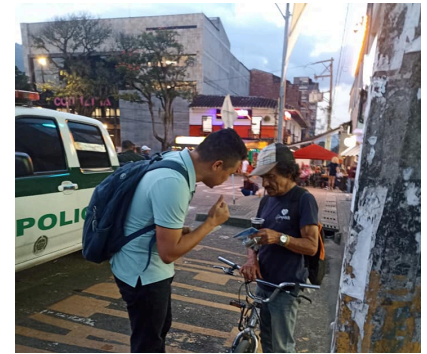

Over the last few weeks, outreach at Iglesia Bautista Vision was focused on the mountains. While most of the city's population is in the valley, hundreds and sometimes thousands of people live in the mountains, which are often difficult to reach. Some people are only reachable by foot or horse. Even though these people are hard to reach, they still need to hear the truth about Jesus. Pray for the many who were invited and the ones who heard the Gospel.

WORKING HARD AT BELLO

In the city of Bello, we have our second church plant, Iglesia Bautista El Refugio. It is still a young work that is less than a year old. Weekly, the Gospel has been preached, and several have placed their faith in Christ. Brother Jeisson and his brother Joshua have been hard at work in Bello with outreach to see many more saved. Please pray for the work being done in this city, for the many thousands of tracts and invitations handed out in this community. Pray for those currently studying the Bible for the first time in their lives; pray for their salvation.
