RESURRECTION SUNDAY IN COLOMBIA!

EASTER SUNDAY IN COLOMBIA:

- We had a **full house**. This is a huge praise!
- Here during easter, most people take the whole weekend off and travel.
 - It is **sometimes difficult** to get them to come for our easter services.
 - **But** this special Sunday, **God blessed** us in a mighty way.
- **The Gospel was preached** and many new people heard it clearly.
 - After the service, we all ate what Jesus ate with His disciples after the resurrection:
 - We ate **fish!**

TEAM COLOMBIA RETREAT:

- In the month of April, we also had a **planning retreat** with our team of missionaries here.
 - As you know, we work together with **Brother Chestley Howell and his wife Yessica**.
 - This year, we were joined by **Denise Troyer**, an intern currently working with us.
- During this week, we were able to **plan and brainstorm** many ideas to put into practice to reach the country that God has called us to evangelize.
 - We are excited about the events and **opportunities that God placed in our hearts**.
 - Please **help us pray** for all the ministry opportunities that we attempt for His Glory.

TOWNS IN COLOMBIA:

- During the Team Colombia Retreat, we were able to **visit several towns** around the Colombia coffee region.
 - Most of the towns around the region have a **population of 20 thousand** or more.
 - As far as we know, the towns we visited **did not have a church** that would preach the Gospel, but there were plenty of other religions that preached another gospel.
- God gave us the opportunity to **give the Gospel to many**, and as we were doing this, they were asking us about the location of our church.
 - With a bittersweet answer, we told them that our church was in another town.
- There is a **great need for Gospel-preaching churches** in Colombia.
 - Help us **pray for more laborers** and also for God to help us start more churches in more places.

DIFFERENT KIND OF DISCIPLESHIP:

- Every week, we have been **studying the bible with different people online**.
 - These are people that we have met along the way who **do not live anywhere near our church, nor anywhere near a Gospel-preaching church**.
- It is not the way we prefer to do bible studies, but it is the only way for now.
 - Every time we meet, we see their desire to learn and know more about our God.
 - This also gives us the desire to start a church where they are.
 - There is **much work to do**, my brothers and sisters.
- Many people are **waiting for one of us to go with the Word of God**.
