JULY 2026

A MONTH FULL OF LIBERTY

MEDICAL MISSIONS OUTREACH:

- **Medical Missions Outreach (MMO)** brings church groups from across the United States and trains them to host medical clinics.
 - This year was **our first time partnering with them here in Medellín**.
 - The clinic was a **eye clinic**. MMO brought equipment and many donated **prescription glasses**, and we used the event as an outreach in the city.
- At the beginning, there were so many planning steps, permits, and government requirements that we wondered whether it would ever come to fruition. But **praise the Lord**—He made a way, and we were able to host the team this year.
- We held **five days of clinic** and handed out **thousands of flyers**.
 - The main goal was never only glasses. It was **the Gospel**.
- Altogether we saw **more than 1,000 people**.
 - Nearly all of them heard the Gospel, and **several trusted Christ as Savior**.
 - We thank God for the chance to preach Christ and also to help many people see.
 - Some had not been able to see clearly until they received a **free pair of glasses** that day. A few even wept for joy.
- The greatest joy, though, was watching people **trust in Christ**. That is **true freedom**.

INTERNS AND FRIENDS:

- Earlier in the month we had a sweet visit from friends from our home church, **the Dipboye family**. **David and Jennifer and their four children** came for **a month** and were a great blessing.
 - They taught **English classes** as a way to reach the community, and several people came because of their work.
- We also had **Denise Troyer** with us.
 - She is an intern who came for **six months**.
 - While she was learning the language, she helped in many of our ministries.
 - She started another **English-class outreach** and spent a great deal of time investing in **several teens for the Lord**.
 - She was a real blessing to the work here.
 - We hope that if it is the Lord's will, she will one day become part of **Team Colombia**.
 - We need laborers, and we also pray that God will use her mightily wherever He sends her.
 - Would you consider supporting her as she pursues missionary work?
